A. Library Director’s Report/Vote

2016 Illinois Library Trustee Forum Workshop
I contacted the Illinois Library Association (ILA) about the Illinois Library Trustee Forum Workshop held in Oakbrook on February 13. They agreed to send us electronic copies of presentations. I will make a note in my calendar to remind them if I don’t hear anything in a couple of weeks. I also mentioned how difficult it is for small libraries downstate to participate in events held in Chicago in the winter.
Per Capita Grant
We have received tentative information indicating that the Per Capita Grant may be 40% funded, although this is still uncertain, pending further budget revisions.

Adult Program: Card Making Class for Spring
Due to the success of the holiday card making class, we have a spring card making class planned for April.

Food for Fines in December and January
The Food for Fines program was very successful. During the months of December and January, the library collected 389 items, including baby wash, toilet cleaner, and toothbrushes. This surpassed the number of items donated in 2014 and 2015. All the food and household items were delivered to the Maryville Outreach Center/Food Pantry the first week of February, and were greatly appreciated.

Tenth Anniversary of the Maryville Community Library: June 2006
Library staff are beginning plans to celebrate the tenth anniversary of the library. The Maryville Community Library was recognized as an official library by the Illinois State Library in June of 2006. They are planning “Happy Tenth Birthday Maryville Library” events for the summer.

The Friends of the Library have registered with escrip. Visit a Schnucks store to pick up an escrip card, register the card at www.escrip.com/schnucks, and present your escrip card to the cashier when you shop at Schnucks. For every dollar you spend, Schnucks will contribute up to 3% to the Friends of the Maryville Library. For more information, go to www.escrip.com.

C. President's Report
Marylee Kicielinski asked Library Director Peggy Pick to tell the Board about a recent incident involving the Library staff. Pick provided the following statement for publication in the meeting minutes:

The Maryville Library is dedicated to providing exemplary service to our patrons. Library staff members know many patrons’ names, literary tastes, and occupations. Recently, library staff noticed one of our elderly patrons was not answering her phone. Since this was so out of character for her, they asked someone to check on her. She had fallen several days before. Due to their concern and awareness, she was discovered and transported to the hospital. This incident could have ended far more tragically had it not been for the library’s observant and caring staff.
