There was a motion by Phyllis Coy and a second by Mary Goodwin to approve the July financial reports as presented.
Roll call:
AYES: Coy, Mauck, Goodwin, Cange, Karanovich, Barz
NAYS: None   ABSENT: Kicielinski
Motion passed, and the reports will be placed on file at the library.

Linda Mauck reviewed and confirmed the reports are correct. The Board requested the costs for planning the new library be broken out separately under the special reserve fund. Linda stated this will be accomplished by the next meeting. Fran Karanovich requested that we keep a separate monthly running total of costs for both the project manager and the architect.

The Library’s bookkeeper, who resigned due to additional responsibilities with her full time job, will stay on until a replacement is found. Linda Mauck has spoken with a possible candidate, and will present the library’s accounting requirements in more detail. The current bookkeeper will train the new person on the Regions payroll module and has recommended the Library not change the bank that processes payroll until W2’s are completed in early 2013.
Linda Mauck explained the advantages to having two accounts; one each with First Collinsville and First County Banks. She restated the advantage of having two charters, as there is $250,000 FDIC insurance with each account. Madison County will start depositing checks directly to First Collinsville instead of Regions. Entering the new fiscal year, the Library balance is expected to be at $648,000. It was noted that this is primarily due to the Library Director’s dedication to fiscal responsibilities and attention to spending.

Report Printing: Linda recommended discontinuing printed copies of the monthly financials with the exception of the monthly statement and statement of revenue and expenditures. With some discussion, it was decided that the electronic files would be suffice for most of the financial back-up material.

VII. Other Business
1. Maryville Library Improvement Committee Report
   Fran discussed the following five points:
   1. The meeting with Bond Architects and the Mayor.
   2. The meeting held with the employees.
   3. The Caucus meeting with the Village Trustees. She restated that Bond Architects did an excellent job. The concept drawings were well accepted. The Village Trustees expressed confidence in the competence of the architectural firm, the new library committee and the Library BOT. Ed Kostyshock was complimentary of the time and dedication given by all and confirmed the location will be the north side.
   4. Fran encouraged everyone to attend the August 16 meeting.
   5. On August 15, at 3:30 pm, the first meeting will be held to discuss funding raising for the new library. The Mayor has shared several good ideas.

   Ed suggested that once the land is approved, obtaining State approval should be discussed at the August 15 meeting. The Mayor will discuss donation of the property at the meeting. The official status of the property needs to be confirmed with the State; however, no problems are anticipated.

3. Friends of Maryville Library Membership
   This topic was brought up at the previous BOT meeting. Phyllis asked if there were any other questions, concerns. Peggy Pick stated ALA has a recommendation that library board members should not be officers of the Friends group, citing possible conflict of interest and ethical problems. She stated more people are needed so the same few do not have to do all the work. Suggestions included inviting people other than the Village Trustees to tour the library, and reaching out to other local Library Friends groups who have had more success.
